My darling (pet name),

I have told you an uncountable number of times how much I love you but it never seems enough. You are the inspiration of my life and I am so lucky to have you in my life.

Thank you for all the things that you do for me and the kids. You are ever smiling even through the toughest times and the most tiring of days. I am so glad you are the queen of my castle and I get to share my life with you.

Your amazing personality, your inner beauty, your interpersonal skills surprise me every time. I am truly blessed that you chose me to be your life partner. Thank you for standing by me through all the ups and downs and holding my hand when I lose direction. You are my angel and I want to grow old with you.

loving husband
