Dear Mr. / Ms. (Receiver's name)

Subject: Demand to return personal property

I regret to inform you that the piece of land being used as your parking lot rightfully belongs to me. It was legally transferred to my name since grandpa's demise. I have attached the land deed proving the same herewith.

I request that you refrain from using my land to save us both time, money and effort.

I expect you to have shifted the parking spot in a week's time. That is by (date). In failing to do so, you will be evoking legal consequences.

Hoping for an amicable and quick resolution.

Yours sincerely
