Dear _____ (Name of the Recipient),

I am writing this letter because I wish to appreciate everything that you have done for me when I stayed with you and your family. You have been extremely kind and generous to me when I lived with you. Whenever I had any queries, you always responded to them with great patience.

I still remember the kinds of exciting activities we did together and you taking me to various interesting places in the city. Thanks to you, I have seen so many amazing and beautiful places. I felt happy for being a part of your loving family for all those days.

If you ever visit England, do let me know so that I can help you out. Thank you for all your help, support, and care.

Best Wishes,

----- (Sender's Name)
