

To my bosom buddy,

My wedding day could not be so enjoyable without having my partner in crime beside me! You are my favorite lady and you know how important you are to me. Thank you for making me feel comfortable and helping my special day flow like a breeze. I can't thank you enough for making my big day extra special. You were an ace bridesmaid and I can't imagine anyone else carrying my flowers but you.

We have been partners in crime since the time we met in the summer camp in Timber Lake and I will cherish everything that we have done together. Thank you for standing by me on the most important day of my life.

Love,
