

Dear (name),

Thank you for being an incredible friend and a wonderful bridesmaid. Starting from my wedding preparation to the final day you helped me turn the event into a fabulous one. Thank you for helping me prepare for my big day and holding the flowers on the most important day of my life.

Thank you for sparing your time and keeping my wedding on top of your list. The busy shopping days, the late nights, and the good times we had together will always be fond memories for me.

I admire your friendship, love, and the never-ending support that you provided throughout the exciting journey. My dream wedding would have remained just a dream without you.

To express my appreciation and love, I chose this little gift for you. Hope you like it. Once again thank you for being such an amazing bridesmaid.

Lots of love
