Dear \_\_\_\_\_ (Name of the Recipient),

I would take this opportunity to thank you for your kind words and years of care upon the death of my cute dog (dog's name).

Only a caring vet like you will understand and realize the tremendous amount of loss and shock I am going through at this point. I had him as my companion for the last 15 years and would always miss him dearly.

You have been a wonderful vet for all these years and he loved meeting you and interacting with you during all those checkups.

Thanks once again for your care and love,

Kind regards,

----- (Sender Name)
