Darling _____,

On our wedding anniversary, I want to tell you something that I don't tell you quite often. I want to thank you from the bottom of my heart for being such an amazing wife.

No one but you can make my life such a bliss. We may have our ups and downs in our relationship but that makes it all the more special. You always find a way to make things work out in the best possible way.

You always overlook my flaws and make me feel so special. I can't ever thank you enough for making me feel like I'm the best husband in the world. I love you from the core of my heart and want to spend the rest of my life loving you and doing wonderful things for us.

You are my one and only love and will always be my special lady.

Love

you always (Your Name)
