

Sweetheart,

I know I'm not the most handsome man on earth and how lucky I'm to have a beautiful wife like you. It's not only your beauty that's my weakness, it's your selfless nature, gentle personality, mental strength that makes me fall more in love with you every day.

I may not have told you in many words, but I will never forget how you left your job to look after the children and allowed me to achieve my professional goals. I will be ever grateful to you for your kind gesture and selflessness.

Thank you for trusting me, going through all the hardships with me, and believing in me, when

I said better days are ahead. Always remember, I may not be too vocal about it, but I love you more than anything else in the world. Thank you for choosing me as your life partner and helping me make the right decisions in life.

Forever yours

Your loving husband (Name)
